Dear Ms. Stewart

Cannon AFB, NM requests a 60-day extension for submittal of an addendum letter to the Work Plan for SWMU 48A (ST-26) due June 12, 2009. The extension is requested because it took an unusually long time to locate important historical documentation directly related to SWMU 48A. The documents have been located, reviewed by the Natural Resources Management Element, and sent to the contractor for evaluation.

Cannon AFB appreciates our partners, NMED, thoughtful consideration in this matter, and if you have any questions please contact Mr. Hugh G. Hanson at (575) 784-0490.

Sincerely

RONALD A. LANCASTER, YC-03
