Dear Ms. Stewart

Cannon Air Force Base, NM requests a due date extension to respond to New Mexico Environment Department (NMED) comments in a letter dated September 3, 2009 regarding the Draft Final Work Plan For Final Closure of Solid Waste Management Units 70 and 71, Cannon AFB, New Mexico, June 2009. Cannon Air Force Base proposes a new due date of 15 February 2010. The date extension is requested to allow sufficient time to properly address the number and scope of NMED comments, locate and research additional historic information, plus compensate for absent work time during the holiday seasons .

Cannon AFB appreciates our partners, NMED, consideration in this matter. If you have any questions, please contact Mr. Hugh G. Hanson, Asset Management Flight, at (575) 784-6031.

Sincerely

RONALD A. LANCASTER, YC-03
