Dear Ms. Stewart

Cannon Air Force Base, NM requests a due date extension to submit a RCRA Facility Investigation Addendum Report, Cannon AFB, New Mexico, June 2009 for SWMUs 34 et al to the New Mexico Environment Department (NMED). An NMED letter dated December 17, 2009 established a due date of February 28, 2010. The date extension is requested to allow sufficient time to edit the document to include NMED comments.

Cannon AFB appreciates our partners, NMED, consideration in this matter. If you have any questions, please contact Mr. Hugh G. Hanson, Asset Management Flight, at (575) 784-6391.

Sincerely

RONALD A. LANCASTER, YC-03
