Dear Mr. Acevedo

Due to the transition of environmental consulting firms contracted to conduct the groundwater monitoring program at Melrose Air Force Range (MAFR), Cannon Air Force Base is respectfully requesting a thirty (30) day extension request for the submittal of the 2015 Annual Groundwater Monitoring Report MAFR from 27 February 2016 to 30 March 2016. The extension request will allow adequate time for review and submission of the report during this period of change.

Cannon AFB appreciates the valued working relationship established with you and your department. If you have further comments or questions pertaining to the referenced documents, please contact Sheen T. Kottkamp, sheen.kottkamp.ctr@us.af.mil (575) 904-6743 or Brandy Chavez, brandy.chavez.1@us.af.mil, (575) 904-6747.
