Dear Col. Gilpin:

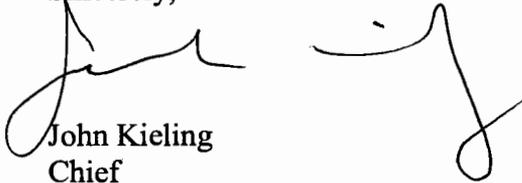

The New Mexico Environment Department (NMED) has reviewed for administrative completeness the Cannon Air Force Base (CAFB) Petition for a Corrective Action Complete determination for Solid Waste Management Units (SWMUs) 36a, SWMU 111, SWMU 112, and SWMU 128 dated May 17, 2016 and received on May 19, 2016. The petition is considered to be a Class 3 Permit Modification Request (PMR) and is subject to the requirements of 20.4.1.900 NMAC (incorporating 40 CFR 270.42).

After reviewing the PMR, NMED has determined the subject application to be administratively complete. The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC require the assessment of fees after an application is deemed administratively complete. The fee invoice was previously mailed on May 24, 2016.
