Dear Mr. Acevedo

Due to the submission of the "*Accelerated Corrective Measures Work Plan SWMU 127*" on July 29, 2016, Cannon Air Force Base respectfully requests that the New Mexico Environment Department disregard/retract the "*Corrective Action Complete Proposal SWMU 127*" dated May 2016 and submitted to the department on June 2, 2016. Upon the department's review and approval of the above referenced work plan and the subsequent completion report, Cannon Air Force Base will submit a corrective action complete proposal/permit modification request at that time.

Cannon AFB appreciates the valued working relationship established with you and your department. If you have further comments or questions pertaining to the referenced documents, please contact Wayne Bitner, ludie.bitner@us.af.mil (505) 846-9017 or Sheen T.
