Dear Mr. Acevedo

Due to the additional time required to prepare an appropriate path forward for the site SWMU 78, Cannon Air Force Base is respectfully requesting a forty-five (45) day extension to the deadline for the submittal of the replacement pages for "*Accelerated Corrective Measures Completion Report for SWMU 78 / FT006*" from 30 January 2017 to 16 March 2017. This extension will allow adequate time for review, preparation, and submission of the replacement pages.

Cannon AFB appreciates the valued working relationship established with you and your department. If you have further comments or questions pertaining to the referenced document, please contact Steven Palmer, [steven.palmer@us.af.mil](mailto:steven.palmer@us.af.mil) (505) 904-6744 or Sheen T.
