RE: Notice of Violation, Cannon Air Force Base, New Mexico EPA #NM7572124454

Dear Mr. Kieling

The United States Air Force acknowledges the receipt of the Notice of Violation (NOV) dated October 10, 2019 issued against Cannon Air Force Base (AFB), New Mexico. The NOV was postmarked October 11, 2019 and we received it on or about October 13, 2019. The Air Force is reviewing the request for information and requests an extension for responding to the NOV so we can complete our review. A two-week extension (through November 27, 2019) should be sufficient to complete our review.

Thank you for your consideration in this matter. If you have any questions, please contact Mr. Sheen Kottkamp, AFCEC/CZOW at (505) 846-7674 or sheen.kottkamp.1@us.af.mil.

Sincerely

JOHN P. BOUDREAUX, Colonel, USAF
Commander
