RE: Request for Extension to 90-Day Hazardous Waste Accumulation Time

Dear Mr. Shean

As specified at 40 CFR 262.17(b) and incorporated by reference into New Mexico Administrative Code 20.4.1.300, the purpose of this letter is to request an additional 30 days for accumulation of hazardous waste at Cannon Air Force Base (EPA ID# NM7572124454). Our current hazardous waste item reaches its 90<sup>th</sup> day on 2 Aug 2022. Additional time is requested due to scheduling delays and facility availability of our primary contracted disposal facilities operated by Heritage Thermal Services (East Liverpool OH) and Heritage Environmental Services (Coolidge AZ).

Thank you for your consideration of this request. If you have any questions or need additional information, please contact me at (575) 904-6745.

Sincerely

JOAQUIN R. MADRIL, GS-11  
Hazardous Waste Program Manager
