Dear Mr. Cobrain

Cannon AFB is pleased to provide this letter to inform the New Mexico Environmental Department that Cannon AFB has no updates to the Cannon AFB Facility-Wide Groundwater Monitoring Plan for sampling year 2024.

The Air Force appreciates the valued working relationship Cannon AFB and the Air Force Civil Engineer Center has with you and your department. . If you have any further comments or questions, please contact the AFCEC Restoration Project Manager, Mr. Christipher Gierke at (575) 904-6744 or at christipher.gierke@us.af.mil.

Sincerely

C.N. GIERKE, GS-13, AFCEC
