REF: ANNUAL HAZARDOUS GENERATION FEE

Dear Mr. Hanson:

Thank you for returning your Annual Hazardous Waste Fee Form to the Hazardous & Radioactive Materials Bureau.

Your check #5142 in the amount of \$35.00 is being returned to you because you indicated that your facility/business is generating less than 220lbs in a month, this means your facility/business is Conditionally Exempt Small Quantity Generator (CESQG). A CESQG is someone who generates no more than 100 kilograms (about 220 pounds or 25 gallons) of hazardous waste and no more than 1 kg (about 2 pounds) of acutely hazardous waste in any calendar month. A CESQG is exempt from all annual hazardous waste generation fees.

Should your hazardous waste generator status change or/if you have questions concerning this matter, please contact this office at (505) 827-4308.

Sincerely,

A handwritten signature in cursive script that reads "Stella Montoya".
