**SUBJECT: RESOLUTION OF NOTICE OF VIOLATION
LOVELACE MEDICAL CENTER, EPA ID# NMD075769000**

Dear Mr. Knox:

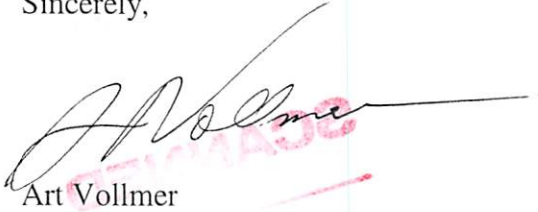

On August 23, 2005, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Lovelace Medical Center, located at 5400 Gibson Blvd. SE, Albuquerque. Based on that inspection and review of information obtained, the NMED issued a Notice of Violation (NOV) dated August 17, 2006.

The NMED has reviewed your response dated October 10, 2006, to the NOV. Based on that review, the NMED has determined that the violations cited in the NOV have been adequately addressed and no further action relative to the NOV on the part of Lovelace Medical Center is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Mark Coffman of my staff at (505) 222-9569. Please address your written response to the attention of Mr. Coffman at NMED, District I Office, 5500 San Antonio Dr. NE, Albuquerque, NM 87109.
