Re: Big Three Industries, Inc., Albuquerque, NM
EPA ID#NMD035676147

Dear Mr. Szostak:

Pursuant to our telephone conversation of this day, I am sending you a new Notification of Hazardous Waste Activity. This should be filled out in its entirety; paying particular attention to Section VI, where you should check non-regulated, non-handler (if I understand our conversation correctly). This would change your status from a generator to that of a non-regulated, non-handler facility which still has an EPA ID Number.

You therefore do not have to fill and submit the 1983 Biennial Hazardous Waste Report as requested by this office. If you have any further questions, please call or write.

Sincerely,

A handwritten signature in cursive script that reads "Peter H. Pache".
