**SUBJECT: COMPLIANCE EVALUATION INSPECTION  
CUMMINS SW, INC., EPA ID# NMD981610355**

Dear Mr. Divita:

On November 15, 2006, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Cummins SW Inc., located at 1101 N. Troy King Rd., Farmington, New Mexico. Based on that inspection and review of the information obtained, the NMED has determined that your facility is a Conditionally Exempt Small Quantity Generator of hazardous waste as defined in the Notification of Regulated Waste Activity Instructions (EPA Form 8700-12). Further, the NMED observed no violations of the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC).

No further action is required at this time. However, this letter does not relieve Cummins SW Inc., of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Anna Maestas of my staff at (505) 476-6011. Please address any written response to the attention of Anna Maestas at the address on the letterhead.
