Comments:

Generator was a SQG through 2002. Generator completed HW generator fees for  
2003 as LQG. Payment status is pending verification submitted by generator by  
August 1, 2004. Generator was determined to be LQG in 2003, 2004 and 2005.  
Generator status will probably change in 2006 due to new solvent recycler unit.
