**SUBJECT: COMPLIANCE EVALUATION INSPECTION
PNM - LAS VEGAS ELECTRIC SERVICE CENTER
EPA ID# NMD360010318**

Dear Mr. Prescott:

On November 6, 2012 the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at the PNM - Las Vegas Electric Service Center, located at 420 Railroad Avenue, Las Vegas. Based on that inspection and review of the information obtained, the NMED has determined that your facility is a Conditionally Exempt Small Quantity Generator of hazardous waste.

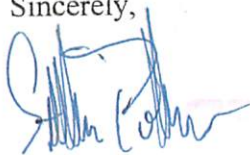

NMED observed no violations of the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC) during the inspection.

No further action is required at this time. However, this letter does not relieve PNM Las Vegas Electric Service Center of its obligation to comply with any other applicable laws and regulations.

Michael Prescott
