**SUBJECT: COMPLIANCE EVALUATION INSPECTION
REHOBOTH MCKINLEY CHRISTIAN HEALTH CARE SERVICES
EPA ID# NMD069425916**

Dear Mr. Smith:

On August 31, 2010, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Rehoboth McKinley Christian Health Care Services (RMCHCS), located at 1901 Red Rock Drive, Gallup. Based on that inspection and a review of the information obtained, the NMED has determined that your facility is a Conditionally Exempt Small Quantity Generator of hazardous waste. Further, the NMED observed no violations of the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC).

No further action is required at this time. However, this letter does not relieve RMCHCS of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Don Meyer of my staff at (505) 222-9554. Please address any written response to the attention of Mr. Meyer at the address on the letterhead.
