SUBJECT: COMPLIANCE EVALUATION INSPECTION
EL CAMINO IMAGING CTR, EPA ID# NMD982553448

Dear Ms. Rocco:

On January 17, 2007, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at El Camino Imaging CTR, located at 8020 Constitution NE, Albuquerque. Based on that inspection and review of the information obtained, the NMED has determined that your facility is a Conditionally Exempt Small Quantity Generator of hazardous waste as defined in the Notification of Regulated Waste Activity Instructions (EPA Form 8700-12). Further, the NMED observed no violations of the New Mexico Hazardous waste Management Regulations (20.4.1 NMAC).

No further action is required at this time. However, this letter does not relieve El Camino Imaging CTR of its obligation to comply with any other applicable laws and regulations.

If you have any questions, please contact Frank Rodarte of my staff at (505) 222-9541. Please address any written response to the attention of Mr. Rodarte at the address on the letterhead.

Ms. Beth Rocco
