**SUBJECT: COMPLIANCE EVALUATION INSPECTION
GIANT MID-CONTINENT, EPA ID# NMD045271053**

Dear Mr. Eklund:

On February 7, 2005, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at your facility, Giant Mid-Continent, located at 3209 Broadway SE, Albuquerque. Based on that inspection and review of the information obtained, NMED has determined that Giant Mid-Continent is a Conditionally Exempt Small Quantity Generator as defined in Notification of Regulated Waste Activity Instructions (EPA Form 8700-12). Further, NMED observed no violations of the New Mexico Hazardous Waste Management Regulations.

No further action is required by Giant Mid-Continent. However, this letter does not relieve Giant Mid-Continent of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Mr. Barry S. Birch of my staff at (505) 222-9542. Please forward any written response to the attention of Mr. Birch at the address in the letterhead.

Sincerely,
