**SUBJECT: RESOLUTION OF NOTICE OF VIOLATION  
NEW MEXICO DEPARTMENT OF TRANSPORTATION,  
EPA ID# NMD980796676**

Dear Mr. Nuanez:

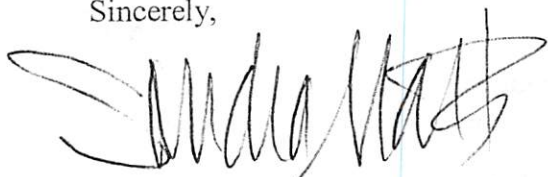

On June 9, 2009, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at New Mexico Department of Transportation (NM DOT), located at 7500 Pan American Freeway NE, Albuquerque. Based on that inspection and review of the information obtained, the NMED issued a Notice of Violation (NOV) dated August 18, 2009.

The NMED has reviewed your response dated September 28, 2009 to the NOV. Based on that review and actions taken during the inspection, the NMED has determined that the violations cited in the NOV have been adequately addressed, and no further action relative to the NOV on the part of NM DOT is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Doug Hopinkah of my staff at (505) 222-9542. Please address your written response to the attention of Mr. Hopinkah at the address on the letterhead.
