

SECTION II: ANNUAL GENERATION CALCULATIONS

To calculate the annual waste generation amounts, use the schedule below. Enter the total pounds of hazardous waste generated per month and then subtract the pounds of recycled hazardous waste per month. The difference is the amount of non-recycled hazardous waste generated.

Month	Calendar Year: 2011		Non-Recycled (lb)
	Total Hazardous Waste (lb)	Recycled (lb)	
January	0	- 0	= 0
February	0	- 0	= 0
March	0	- 0	= 0
April	0	- 0	= 0
May	0	- 0	= 0
June	0	- 0	= 0
July	0	- 0	= 0
August	0	- 0	= 0
September	0	- 0	= 0
October	0	- 0	= 0
November	0	- 0	= 0
December	0	- 0	= 0
Annual Totals	0	- 0	= 0

SECTION III: GENERATION STATUS DETERMINATION

Determine your generator status using the largest amount of total hazardous waste generated during any one calendar month (from first column in Section II).

GENERATOR STATUS:

- * If you generate 220 lbs (100 kg) or less of hazardous waste (recycled and non-recycled) in any one month, you are a Conditionally Exempt Small Quantity Generator (CESQG).
- * If you generate more than 220 lbs (100 kg) but less than 2,205 lbs (1,000 kg) of hazardous waste (recycled and non-recycled) in any one month, you are a Small Quantity Generator (SQG).
- * If you generate 2,205 lbs (1,000 kg) or more of hazardous waste (recycled and non-recycled) in any one month, you are a Large Quantity Generator (LQG).

NOTE: IF YOU ARE A CESQG, YOU DO NOT OWE ANY FEES. PLEASE COMPLETE THE CERTIFICATION SECTION OF THIS FORM AND RETURN TO OUR OFFICE.

SECTION IV: BUSINESS FEES

Based on the generator status determined from Section III, check the appropriate category for this facility and pay the appropriate Business Fee.

Conditional Exempt Small Quantity Generator	<input checked="" type="checkbox"/>		no fees due
Small Quantity Generator	<input type="checkbox"/>	\$	200.00
Large Quantity Generator	<input type="checkbox"/>	\$	2,500.00

SECTION V: ANNUAL GENERATION FEES

1. **Conditionally Exempt Small Quantity Generators** do not owe any annual generator fees.
2. **Small Quantity Generators** shall pay the following fees based on the average monthly amount of non-recycled hazardous waste generated.

Annual total non-recycled hazardous waste from Section II divided by twelve equals monthly average

_____ 0 _____	lb/12 =	_____ 0 _____	pounds per month
1 - 500 pounds/month	_____	\$	35.00
501 - 1,000 pounds/month	_____	\$	100.00
1,001 - 2,205 pounds/month	_____	\$	250.00

If ≤ 2,205 pounds/month, enter appropriate fee: _____

3. **Large Quantity Generators** at a site shall pay the following fees for non-recycled hazardous waste generated for the reporting year, if both hazardous waste and hazardous wastewater were generated at the site, the generator must determine the amounts for each to calculate the fee. Use the following fee schedules for these calculations.

a. \$ 0.01 per pound of non-recycled hazardous waste generated at the site.
 _____ pounds for the reporting year X \$ 0.01 = \$ _____ \$0.00

and

b. \$ 0.01 per ton of wastewater designated a hazardous waste solely because it exhibits a hazardous characteristic.
 _____ tons for reporting year X \$ 0.01 = \$ _____ \$0.00

Total LQG annual fee (a + b) = \$ _____ \$0.00

SECTION VI: PAST DUE FEES

Fees owed for previous years are calculated the same as above and are then multiplied by 1%. The **sum** of the annual business fee (Section IV) and the generation fee (Section V) are **multiplied** by the number of months that the fee is past due:

$$\text{Business Fee} + \text{Generation} \times 1\% \times \text{Number of months past due} = \text{Late Fee}$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

This late fee is added to the business fee, the generation fee, and the administration charge of \$100 to determine the total past due fee owed for that year:

$$\text{Business Fee} + \text{Generation} + \text{Late Fee} + \$100 = \text{Total Past Due Fee}$$

$$\text{Example: } \$200.00 + \$35.00 + \$23.50 + \$100.00 = \$358.50$$

If you are paying past due fees for multiple years, you pay the administration charge one time only. The fees for each year are due on August 1st of the following year.

Example: Fees for 2007 were due on August 1, 2008. Please calculate past due fees and enter them below:

2008 Fees	\$ 0
2009 Fees	\$ 0
2010 Fees	\$ 0
Administrative Fee	\$ 100.00
Total Past Due Fees Owed	\$ 100.00

SECTION VII: CAP FEES

CAP Fees: The aggregate amount of annual generation and business fees to be paid per person [as defined at 20.4.3.108 NMAC] for any year based on this Part (20.4.3 NMAC) shall be limited to:

One facility	\$ 35,000.00
Two facilities	\$ 50,000.00
Three or more facilities	\$ 65,000.00

If your facility generates non-recycled hazardous waste in amounts which will result in a total fee greater than the amounts given in the above table, you only pay the CAP Fee indicated. These CAP Fees does not apply to late fees.

SECTION VIII: TOTAL FEES DUE

Total Fees (Business Fees, Generation Fees)
Owed for Current Calendar Year

0

Total Past Due Fees Owed (if applicable)

100.00

TOTAL FEES

\$100.00

SECTION IX: CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents. I hereby certify that either based on my personal knowledge or my inquiry of those individuals immediately responsible for obtaining the information, the submitted information is true, accurate and complete. I hereby acknowledge that any person who knowingly omits information from or makes any false statement or representation in a fee report may be subject to criminal penalties under the Act.

Attn Joy Montanio:

The Hazardous Waste Bureau is returning your check dated 4/5/2013/ in the amount of \$100.00 dollars check # 00114706. After reviewing the Annual Hazardous Waste Report CY11 the facility NMD002201838 is a Conditionally Exempt Small Quantity Generator (CESQG) no fees are due at this time.

If you should have any questions, please feel free to contact me at 505-476-6012.

Respectfully,

Charlotte Duran
