**RE: RESOLUTION OF NOTICE OF VIOLATION
SOLID WASTE MANAGEMENT DEPARTMENT
EPA ID# NMD986682128**

Dear Mr. Vargas:

On March 7, 2013, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Solid Waste Management Department, located at 4600 Edith Blvd. NE, Albuquerque. Based on that inspection and review of information obtained, the NMED issued a Notice of Violation (NOV) dated May 22, 2013.

The NMED has reviewed your response to the NOV dated June 19, 2013. Based on that review, the NMED has determined that the violations cited in the NOV have been adequately addressed and no further action relative to the NOV on the part of Solid Waste Management Department is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.
