HAZARDOUS WASTE BUREAU

2010 ANNUAL HAZARDOUS WASTE FEE REPORT

Note: Complete and return this report with your payment

USA9

SECTION I: FACILITY INFORMATION AND IDENTIFICATION

Facility Name: INTREPID POTASH, NORTH FACILITY

EPA Identification Number: NMD007396658 - 1672 Phone: 575-234-3881

Facility Address: 484 N. STATE HIGHWAY 243

CARLSBAD, NM

88220

Mailing Address: P.O. BOX 101

CARLSBAD, NM

88220

Facility Contact: JIM KERTIS

Title: ENVIRONMENTAL COORDINATOR

Reporting Date: 8/11/2011

The New Mexico Hazardous Waste Generation Fee is comprised of two parts: a Business Fee and a Generation Fee. The Business Fee is determined by your generator status and the Generation Fee is determined by the amount of non-recycled hazardous waste, which is generated by the facility. It is important to note that your generator status is determined by adding the recycled and non-recycled hazardous waste generated by your facility each month.

Detailed regulations covering the annual hazardous waste fees are defined at 20.4.3 NMAC.

SECTION II: ANNUAL GENERATION CALCULATIONS

To calculate the annual waste generation amounts, use the schedule below. Enter the total pounds of hazardous waste generated per month and then subtract the pounds of recycled hazardous waste per month. The difference is the amount of non-recycled hazardous waste generated.

Month	Calendar Year: <u>2010</u>		Non-Recycled (lb)
	Total Hazardous Waste (lb)	Recycled (lb)	
January	0	-	0
February	0	-	0
March	0	-	0
April	0	-	0
May	0	-	0
June	0	-	0
July	0	-	0
August	0	-	0
September	0	-	0
October	0	-	0
November	0	-	0
December	0	-	0
Annual Totals	0	-	0

SECTION III: GENERATION STATUS DETERMINATION

Determine your generator status using the largest amount of total hazardous waste generated during any one calendar month (from first column in Section II).

GENERATOR STATUS:

- * If you generate 220 lbs (100 kg) or less of hazardous waste (recycled and non-recycled) in any one month, you are a Conditionally Exempt Small Quantity Generator (CESQG).
- * If you generate more than 220 lbs (100 kg) but less than 2,205 lbs (1,000 kg) of hazardous waste (recycled and non-recycled) in any one month, you are a Small Quantity Generator (SQG).
- * If you generate 2,205 lbs (1,000 kg) or more of hazardous waste (recycled and non-recycled) in any one month, you are a Large Quantity Generator (LQG).

NOTE: IF YOU ARE A CESQG, YOU DO NOT OWE ANY FEES. PLEASE COMPLETE THE CERTIFICATION SECTION OF THIS FORM AND RETURN TO OUR OFFICE.

SECTION VI: PAST DUE FEES

Fees owed for previous years are calculated the same as above and are then multiplied by 1%. The sum of the annual business fee (Section IV) and the generation fee (Section V) are multiplied by the number of months that the fee is past due:

$$\text{Business Fee} + \text{Generation} \times 1\% \times \text{Number of months past due} = \text{Late Fee}$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

This late fee is added to the business fee, the generation fee, and the administration charge of \$100 to determine the total past due fee owed for that year:

$$\text{Business Fee} + \text{Generation} + \text{Late Fee} + \$100 = \text{Total Past Due Fee}$$

$$\text{Example: } \$200.00 + \$35.00 + \$23.50 + \$100.00 = \$358.50$$

If you are paying past due fees for multiple years, you pay the administration charge one time only. The fees for each year are due on August 1st of the following year.

Example: Fees for 2007 were due on August 1, 2008. Please calculate past due fees and enter them below:

2007 Fees	\$	<u>0.00</u>
2008 Fees	\$	<u>0.00</u>
2009 Fees	\$	<u>0.00</u>
Administrative Fee	\$	<u>0.00</u>
 Total Past Due Fees Owed	\$	<u>0.00</u>

SECTION VII: CAP FEES

CAP Fees: The aggregate amount of annual generation and business fees to be paid per person [as defined at 20.4.3.108 NMAC] for any year based on this Part (20.4.3 NMAC) shall be limited to:

One facility	\$35,000.00
Two facilities	\$50,000.00
Three or more facilities	\$65,000.00

If your facility generates non-recycled hazardous waste in amounts which will result in a total fee greater than the amounts given in the above table, you only pay the CAP Fee indicated. These CAP Fees does not apply to late fees.

Hello Charlotte,

1672

ENTERED

Attached is the 2010 Hazardous Waste Report for Intrepid Potash. Included are three facilities (East, West and North).

Attached is also a copy of the check request sent to our Accounts Payable Department.
