Dear Ms. Walker:

Enclosed is a completed "Notification of Regulated Activity" form for the subsequent notification regarding the Aerojet Electronic Systems Division Explosive Operations Facility located in Socorro, New Mexico.

I would also like to take this opportunity to correct some of the information on the initial First Notification. First, the facility name was previously indicated as "Aerojet Explosive Loading & Test". The correct facility name is "Aerojet Electronic Systems Division Explosive Operations Facility". Secondly, the ownership on the initial First Notification was given as "Aerojet Headquarters Office". The actual ownership name is "Aerojet General Corporation".

If you have any further questions, please give me a call at (818) 812-1252.

Sincerely,
