Dear Mr. McClure,

On April 28, 1993 your facility was inspected by John Tymkowych of the Hazardous and Radioactive Materials Bureau. It was concluded that Aerojet is presently in compliance with the New Mexico Hazardous Waste Management Regulations (HWMR-7).

I would like to thank you and your staff for your cooperation during the inspection.

Please call Mr. Tymkowych at 827-4308, if you have any questions in the future.

Sincerely,
