

**NEW MEXICO ENVIRONMENT DEPARTMENT
HAZARDOUS WASTE BUREAU**

2013 ANNUAL HAZARDOUS WASTE FEE REPORT

Note: Complete and return this report with your payment

SECTION I: FACILITY INFORMATION AND IDENTIFICATION

Facility Name: Halliburton

EPA Identification Number: NMD986679470 - 1942

Facility Address: 4109 East Main
PO Drawer 960
Farmington, NM 87402

Mailing Address: P.O. Box 60087
Attn: Chandra Fernandez
Houston, TX 77205-0087

Facility Contact: Chandra Fernandez Phone: 281-575-4383
Environmental Compliance

Title: Specialist Email: chandra.fernandez@halliburton.com

Reporting Date:

The New Mexico Hazardous Waste Generation Fee is comprised of two parts: a Business Fee and a Generation Fee. The Business Fee is determined by your generator status and the Generation Fee is determined by the amount of non-recycled hazardous waste, which is generated by the facility. It is important to note that your generator status is determined by adding the recycled and non-recycled hazardous waste generated by your facility each month.

Detailed regulations covering the annual hazardous waste fees are defined at 20.4.3 NMAC.

SECTION II. ANNUAL GENERATION CALCULATIONS

To calculate the annual waste generation amounts, use the schedule below. Enter the total pounds of hazardous waste generated per month and then subtract the pounds of recycled hazardous waste per month. The difference is the amount of non-recycled hazardous waste generated.

Calendar Year: 2018

Month	Total Hazardous Waste (lb)		Recycled (lb)	=	Non-Recycled (lb)
January	0	-	0	=	0
February	0	-	0	=	0
March	0	-	0	=	0
April	0	-	0	=	0
May	1560	-	1560	=	0
June	1960	-	1960	=	0
July	0	-	0	=	0
August	0	-	0	=	0
September	0	-	0	=	0
October	0	-	0	=	0
November	0	-	0	=	0
December	0	-	0	=	0
Annual Totals	3520	-	3520	=	0

SECTION III. GENERATION STATUS DETERMINATION

Determine your generator status using the largest amount of total hazardous waste generated during any one calendar month (from first column in Section II).

GENERATOR STATUS:

- * If you generate 220 lbs (100 kg) or less of hazardous waste (recycled and non-recycled) in any one month, you are a Very Small Quantity Generator (VSQG).
- * If you generate more than 220 lbs (100 kg) but less than 2,205 lbs (1,000 kg) of hazardous waste (recycled and non-recycled) in any one month, you are a Small Quantity Generator (SQG).
- * If you generate 2,205 lbs (1,000 kg) or more of hazardous waste (recycled and non-recycled) in any one month, you are a Large Quantity Generator (LQG).

NOTE: IF YOU ARE A VSQG, YOU DO NOT OWE ANY FEES. PLEASE COMPLETE THE CERTIFICATION SECTION OF THIS FORM AND RETURN TO OUR OFFICE.

SECTION IV: BUSINESS FEES

Based on the generator status determined from Section III, check the appropriate category for this facility and pay the appropriate Business Fee.

Very Small Quantity Generator	no fees due
Small Quantity Generator \$	200.00
Large Quantity Generator \$	2,500.00

SECTION V: ANNUAL GENERATION FEES

1. **Very Small Quantity Generators do not owe any annual generator fees.**

2. **Small Quantity Generators shall pay the following fees based on the average monthly amount of non-recycled hazardous waste generated.**

Annual total non-recycled hazardous waste from Section II divided by twelve equals monthly average

0	lb/12 =	0	pounds per month
1 - 500 pounds/month	\$	35.00
501 - 1,000 pounds/month	\$	100.00
1,001 - 2,205 pounds/month	\$	250.00

If \leq 2,205 pounds/month, enter appropriate fee: _____

3. **Large Quantity Generators at a site shall pay the following fees for non-recycled hazardous waste generated for the reporting year. if both hazardous waste and hazardous wastewater were generated at the site, the generator must determine the amounts for each to calculate the fee. Use the following fee schedules for these calculations.**

a. \$ 0.01 per pound of non-recycled hazardous waste generated at the site.
 _____ pounds for the reporting year X \$ 0.01 = \$ _____

and

b. \$ 0.01 per ton of wastewater designated a hazardous waste solely because it exhibits a hazardous characteristic.
 _____ tons for reporting year X \$ 0.01 = \$ _____

Total LQG annual fee (a + b) = \$ _____ \$0.00

SECTION VI. PAST DUE FEES

Fees owed for previous years are calculated the same as above and are then multiplied by 1%. The sum of the annual business fee (Section IV) and the generation fee (Section V) are multiplied by the number of months that the fee is past due:

$$\text{Business Fee} + \text{Generation} \times 1\% \times \text{Number of months past due} = \text{Late Fee}$$

Example: $(\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \23.50

Example: $(\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \23.50

This late fee is added to the business fee, the generation fee, and the administration charge of \$100 to determine the total past due fee owed for that year:

$$\text{Business Fee} + \text{Generation} + \text{Late Fee} + \$100 = \text{Total Past Due Fee}$$

Example: $\$200.00 + \$35.00 + \$23.50 + \$100.00 = \$358.50$

If you are paying past due fees for multiple years, you pay the administration charge one time only. The fees for each year are due on August 1st of the following year.

Example: Fees for 2015 were due on August 1, 2016. Please calculate past due fees and enter them below:

2014 Fees	\$	0.00
2015 Fees	\$	0.00
2016 Fees	\$	0.00
Administrative Fee	\$	0.00
Total Past Due Fees Owed	\$	0.00

SECTION VII. CAP FEES

CAP Fees: The aggregate amount of annual generation and business fees to be paid per person [as defined at 20.4.3.108 NMAC] for any year based on this Part (20.4.3 NMAC) shall be limited to:

One facility	\$	35,000.00
Two facilities	\$	50,000.00
Three or more facilities	\$	65,000.00

If your facility generates non-recycled hazardous waste in amounts which will result in a total fee greater than the amounts given in the above table, you only pay the CAP Fee indicated. These CAP Fees does not apply to late fees.

SECTION VIII: TOTAL FEES DUE

Total Fees (Business Fees, Generation Fees) Owed for Current Calendar Year	<u>\$200.00</u>
Total Past Due Fees Owed (if applicable)	<u>\$0.00</u>
TOTAL FEES	<u>\$200.00</u>

SECTION IX: CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents. I hereby certify that either based on my personal knowledge or my inquiry of those individuals immediately responsible for obtaining the information, the submitted information is true, accurate and complete. I hereby acknowledge that any person who knowingly omits information from or makes any false statement or representation in a fee report may be subject to criminal penalties under the Act.
