**RE: RESOLUTION OF NOTICE OF VIOLATION

EPA ID# NM0000562645**

Dear Mr. Baker:

On August 3, 2017, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at SUMCO, located at 9401 San Mateo Blvd. NE, Albuquerque, NM. Based on that inspection and review of the information obtained, NMED issued a Notice of Violation (NOV), dated August 29, 2017.

NMED has reviewed your response to the NOV, dated October 4, 2017. Based on that review, NMED has determined that the violation cited in the NOV has been adequately addressed and no further action relative to the NOV is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.
