**SUBJECT: COMPLIANCE EVALUATION INSPECTION  
OLGUIN'S AUTO INC., EPA ID# NMR000000323**

Dear Mr. Olguin:

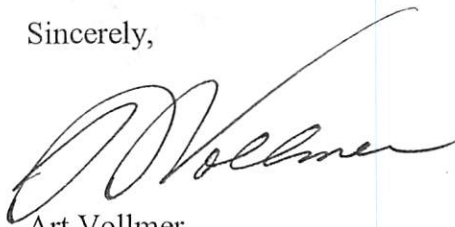

On August 24, 2009 the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Olguin's Auto Inc., located at 4220 Broadway Blvd. SE, Albuquerque. Based on that inspection and review of the information obtained, the NMED has determined that your facility is a Conditionally Exempt Small Quantity Generator of hazardous waste. Further, the NMED observed no violations of the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC).

No further action is required at this time. However, this letter does not relieve Olguin's Auto Inc. of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Brady Christensen of my staff at (505) 476-6026. Please address any written response to the attention of Mr. Christensen at the address on the letterhead.
