SUBJECT: PAYMENT OF THE ANNUAL BUSINESS AND GENERATION FEES

Dear Ms. Duran:

The purpose this letter is to transmit to the Hazardous Waste Bureau the Los Alamos National Laboratory's (LANL) annual Business and Generation Fees. According to the fee regulations, the total of the fee due for LANL is \$35,000. Please find attached a check in that amount along with a copy of the completed CY2006 completed fee report (Report #: NM890010515-2390-CY2006).

The Fenton Hill Facility has not generated any hazardous waste during the entire year, and is not required to pay a fee for CY2006. The enclosed fee represents the CAP amount for a single facility owned by the Department of Energy and co-operated by the Los Alamos National Security, LLC.

If you should have any questions concerning this letter or its attachments please contact me at (505)667-0633.

Sincerely,

Jack Ellvinger
