**SUBJECT: RESOLUTION OF NOTICE OF VIOLATION  
DANLAR COLLISION, EPA ID# NMR000003327**

Dear Mr. Jacoby:

On March 10, 2009, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Danlar Collision, located at 221 Dorado Place SE, Albuquerque. Based on that inspection and review of information obtained, the NMED issued a Notice of Violation (NOV) dated May 20, 2009.

The NMED has reviewed your responses dated March 11, 2009, October 30, 2009, and December 16, 2009 to the NOV. Based on that review the NMED has determined that the violations cited in the NOV have been adequately addressed, and no further action relative to the NOV on the part of Danlar Collision is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact me at (505) 476-6026. Please address your written response to the attention of Mr. Christensen at the address on the letterhead.
