**SUBJECT: COMPLIANCE EVALUATION INSPECTION REPORT  
ADVANCED ENVIRONMENTAL SOLUTION EPA ID#NMR000006502**

Dear Mr. Chavez:

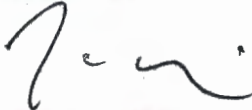

On January 14, 2003, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at your facility, Advanced Environmental Solution, Inc. (AES), located at 2318 Roldan Drive, Belen, New Mexico. Based on that inspection and review of the information obtained, NMED has determined that AES is a Conditionally Exempt Hazardous Waste; Small Quantity Generator; and a transporter of hazardous waste. Furthermore, NMED observed no violations of the New Mexico Hazardous Waste Management Regulations.

No further action is required by AES. However, this letter does not relieve AES of its obligation to comply with any other applicable laws and regulations.
