**SUBJECT: COMPLIANCE EVALUATION INSPECTION
WAL-MART #824, EPA ID# NMR000005132**

Dear Mr. Nygren:

On July 29, 2009, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Wal-Mart #824, located at 8000 Academy Rd. NE, Albuquerque. Based on that inspection and review of the information obtained, the NMED has determined that your facility is a Small Quantity Generator of hazardous waste. Further, the NMED observed no violations of the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC).

No further action is required at this time. However, this letter does not relieve Wal-Mart #824 of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Mark Coffman of my staff at (505) 222-9569. Please address any written response to the attention of Mr. Coffman at the address on the letterhead.
