2009 ANNUAL HAZARDOUS WASTE FEE REPORT

Note: Complete and return this report with your payment

SECTION I: FACILITY INFORMATION AND IDENTIFICATION

Facility Name: MSR-FSR Albuquerque

EPA Identification Number: NM R000003418 Phone: 505 244 3722

LOG PD
✓
10938

Facility Address: 5601 Midway park Place NE
Albuquerque NM 87144

Mailing Address: 5601 Midway park Place NE
Albuquerque NM 87144

Facility Contact: Bob Orchard

Title: General Manager

Reporting Date: 7/15/2010

The New Mexico Hazardous Waste Generation Fee is comprised of two parts: a Business Fee and a Generation Fee. The Business Fee is determined by your generator status and the Generation Fee is determined by the amount of non-recycled hazardous waste, which is generated by the facility. It is important to note that your generator status is determined by adding the recycled and non-recycled hazardous waste generated by your facility each month.

Detailed regulations covering the annual hazardous waste fees are defined at 20.4.3 NMAC.

SECTION II: ANNUAL GENERATION CALCULATIONS

To calculate the annual waste generation amounts, use the schedule below. Enter the total pounds of hazardous waste generated per month and then subtract the pounds of recycled hazardous waste per month. The difference is the amount of non-recycled hazardous waste generated.

Calendar Year: 2009

Month	Total Hazardous Waste (lb)		Recycled (lb)	=	Non-Recycled (lb)
January	0	-	0	=	0
February	2900	-	0	=	2900
March	0	-		=	0
April	0	-		=	0
May	0	-		=	0
June	4000	-	0	=	4000
July	0	-		=	0
August	2000	-	0	=	2000
September	0	-		=	0
October	2500	-	0	=	2500
November	115	-	0	=	115
December	0	-		=	0
Annual Totals	11515	-	0	=	11515

SECTION III: GENERATION STATUS DETERMINATION

Determine your generator status using the largest amount of total hazardous waste generated during any one calendar month (from first column in Section II).

GENERATOR STATUS:

- * If you generate 220 lbs (100 kg) or less of hazardous waste (recycled and non-recycled) in any one month, you are a Conditionally Exempt Small Quantity Generator (CESQG).
- * If you generate more than 220 lbs (100 kg) but less than 2,205 lbs (1,000 kg) of hazardous waste (recycled and non-recycled) in any one month, you are a Small Quantity Generator (SQG).
- * If you generate 2,205 lbs (1,000 kg) or more of hazardous waste (recycled and non-recycled) in any one month, you are a Large Quantity Generator (LQG).

NOTE: IF YOU ARE A CESQG, YOU DO NOT OWE ANY FEES. PLEASE COMPLETE THE CERTIFICATION SECTION OF THIS FORM AND RETURN TO OUR OFFICE.

SECTION IV: BUSINESS FEES

Based on the generator status determined from Section III, check the appropriate category for this facility and pay the appropriate Business Fee.

Conditional Exempt Small Quantity Generator	_____	no fees due
Small Quantity Generator	_____	\$ 200.00
Large Quantity Generator	_____ <input checked="" type="checkbox"/>	\$2,500.00

SECTION V: ANNUAL GENERATION FEES

1. **Conditionally Exempt Small Quantity Generators** do not owe any annual generator fees.
2. **Small Quantity Generators** shall pay the following fees based on the average monthly amount of non-recycled hazardous waste generated.

Annual total non-recycled hazardous waste from Section II divided by twelve equals monthly average

_____ 11515 _____	lb/12 =	_____ 959.5833333 _____	pounds per month
1 - 500 pounds/month	_____	\$	35.00
501 - 1,000 pounds/month	_____	\$	100.00
1,001 - 2,205 pounds/month	_____	\$	250.00

If \leq 2,205 pounds/month, enter appropriate fee: _____

3. **Large Quantity Generators** at a site shall pay the following fees for non-recycled hazardous waste generated for the reporting year, if both hazardous waste and hazardous wastewater were generated at the site, the generator must determine the amounts for each to calculate the fee. Use the following fee schedules for these calculations.

a. \$ 0.01 per pound of non-recycled hazardous waste generated at the site.
 _____ 11515 _____ pounds for the reporting year X \$ 0.01 = \$ _____ 115.15 _____

and

b. \$ 0.01 per ton of wastewater designated a hazardous waste solely because it exhibits a hazardous characteristic.
 _____ 0 _____ tons for reporting year X \$ 0.01 = \$ _____ 0.00 _____

Total LQG annual fee (a + b) = \$ _____ 115.15 _____

SECTION VI: PAST DUE FEES

Fees owed for previous years are calculated the same as above and are then multiplied by 1%. The **sum** of the annual business fee (Section IV) and the generation fee (Section V) are **multiplied** by the number of months that the fee is past due:

$$\text{Business Fee} + \text{Generation} \times 1\% \times \text{Number of months past due} = \text{Late Fee}$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

This late fee is added to the business fee, the generation fee, and the administration charge of \$100 to determine the total past due fee owed for that year:

$$\text{Business Fee} + \text{Generation} + \text{Late Fee} + \$100 = \text{Total Past Due Fee}$$

$$\text{Example: } \$200.00 + \$35.00 + \$23.50 + \$100.00 = \$358.50$$

If you are paying past due fees for multiple years, you pay the administration charge one time only. The fees for each year are due on August 1st of the following year.

Example: Fees for 2007 were due on August 1, 2008. Please calculate past due fees and enter them below:

2006 Fees	_____	\$ _____
2007 Fees	_____	\$ _____
2008 Fees	_____	\$ _____
Administrative Fee	_____	\$ <u>100.00</u>
Total Past Due Fees Owed	_____	\$ _____

SECTION VII: CAP FEES

CAP Fees: The aggregate amount of annual generation and business fees to be paid per person [as defined at 20.4.3.108 NMAC] for any year based on this Part (20.4.3 NMAC) shall be limited to:

One facility	_____	\$35,000.00
Two facilities	_____	\$50,000.00
Three or more facilities	_____	\$65,000.00

If your facility generates non-recycled hazardous waste in amounts which will result in a total fee greater than the amounts given in the above table, you only pay the CAP Fee indicated. These CAP Fees does not apply to late fees.

SECTION VIII: TOTAL FEES DUE

Total Fees (Business Fees, Generation Fees) Owed for Current Calendar Year	<u>\$2,615.15</u>
Total Past Due Fees Owed (if applicable)	<u>\$0.00</u>
TOTAL FEES	<u>\$2,615.15</u>

SECTION IX: CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents. I hereby certify that either based on my personal knowledge or my inquiry of those individuals immediately responsible for obtaining the information, the submitted information is true, accurate and complete. I hereby acknowledge that any person who knowingly omits information from or makes any false statement or representation in a fee report may be subject to criminal penalties under the Act.
