**SUBJECT: COMPLIANCE EVALUATION INSPECTION
PHILIP AND SONS MECHANIC AND TIRE SERVICE
EPA ID #NMR000009290**

Dear Mr. Lovato:

On April 13, 2004, the New Mexico Environment Department (NMED) conducted a hazardous waste Compliance Evaluation Inspection at Philip and Sons Mechanic and Tire Service, located at 2501 Aztec Road NE, Albuquerque. Based on that inspection and review of the information obtained, NMED has determined that your facility is a Conditionally Exempt Small Quantity Generator. Further, NMED observed no violations of the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC).

No further action is required at this time. However, this letter does not relieve Philip and Sons Mechanic and Tire Service of its obligation to comply with any other applicable laws and regulations.

If you have any questions regarding this letter, please contact Roger Husted of my staff at 505-841-9040. Please address your written response to 4131 Montgomery NE, Albuquerque, NM 87109.

Sincerely,

Sandra Y. Martin
