

NEW MEXICO ENVIRONMENT DEPARTMENT  
HAZARDOUS WASTE BUREAU

2010 ANNUAL HAZARDOUS WASTE FEE REPORT

Note: Complete and return this report with your payment

**SECTION I: FACILITY INFORMATION AND IDENTIFICATION** <sup>506</sup>

Facility Name: Walmart Supercenter #3732

**ENTERED**

EPA Identification Number: NMR000011064

3403

Phone: 479-204-0402

Facility Address: 901 Unser Boulevard SW

Rio Rancho, NM 87124

Mailing Address: P.O. Box 8041

Bentonville, AR 72712-8041

Facility Contact: Chris Stewart

Title: Senior Manager

Reporting Date: 7/18/2011

*The New Mexico Hazardous Waste Generation Fee is comprised of two parts: a Business Fee and a Generation Fee. The Business Fee is determined by your generator status and the Generation Fee is determined by the amount of non-recycled hazardous waste, which is generated by the facility. It is important to note that your generator status is determined by adding the recycled and non-recycled hazardous waste generated by your facility each month.*

*Detailed regulations covering the annual hazardous waste fees are defined at 20.4.3 NMAC.*

**SECTION II: ANNUAL GENERATION CALCULATIONS**

To calculate the annual waste generation amounts, use the schedule below. Enter the total pounds of hazardous waste generated per month and then subtract the pounds of recycled hazardous waste per month. The difference is the amount of non-recycled hazardous waste generated.

		Calendar Year: <u>2010</u>			
Month	Total Hazardous Waste (lb)		Recycled (lb)	=	Non-Recycled (lb)
January	<u>280</u>	-	<u>42</u>	=	<u>238</u>
February	<u>281</u>	-	<u>42</u>	=	<u>239</u>
March	<u>176</u>	-	<u>42</u>	=	<u>134</u>
April	<u>337</u>	-	<u>42</u>	=	<u>295</u>
May	<u>321</u>	-	<u>15</u>	=	<u>306</u>
June	<u>309</u>	-	<u>46</u>	=	<u>263</u>
July	<u>152</u>	-	<u>20</u>	=	<u>132</u>
August	<u>122</u>	-	<u>18</u>	=	<u>104</u>
September	<u>220</u>	-	<u>75</u>	=	<u>145</u>
October	<u>188</u>	-	<u>20</u>	=	<u>168</u>
November	<u>111</u>	-	<u>13</u>	=	<u>98</u>
December	<u>163</u>	-	<u>24</u>	=	<u>139</u>
Annual Totals	<u>2660</u>	-	<u>399</u>	=	<u>2261</u>

**SECTION III: GENERATION STATUS DETERMINATION**

Determine your generator status using the largest amount of total hazardous waste generated during any one calendar month (from first column in Section II).

**GENERATOR STATUS:**

- \* If you generate 220 lbs (100 kg) or less of hazardous waste (recycled and non-recycled) in any one month, you are a Conditionally Exempt Small Quantity Generator (CESQG).
- \* If you generate more than 220 lbs (100 kg) but less than 2,205 lbs (1,000 kg) of hazardous waste (recycled and non-recycled) in any one month, you are a Small Quantity Generator (SQG).
- \* If you generate 2,205 lbs (1,000 kg) or more of hazardous waste (recycled and non-recycled) in any one month, you are a Large Quantity Generator (LQG).

**NOTE:**

**IF YOU ARE A CESQG, YOU DO NOT OWE ANY FEES. PLEASE COMPLETE THE CERTIFICATION SECTION OF THIS FORM AND RETURN TO OUR OFFICE.**

**SECTION VI: PAST DUE FEES**

Fees owed for previous years are calculated the same as above and are then multiplied by 1%. The **sum** of the annual business fee (Section IV) and the generation fee (Section V) are **multiplied** by the number of months that the fee is past due:

$$\text{Business Fee} + \text{Generation} \times 1\% \times \text{Number of months past due} = \text{Late Fee}$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

$$\text{Example: } (\$200 + \$35) \times 0.01 \times 10 \text{ Months} = \$23.50$$

This late fee is added to the business fee, the generation fee, and the administration charge of \$100 to determine the total past due fee owed for that year:

$$\text{Business Fee} + \text{Generation} + \text{Late Fee} + \$100 = \text{Total Past Due Fee}$$

$$\text{Example: } \$200.00 + \$35.00 + \$23.50 + \$100.00 = \$358.50$$

If you are paying past due fees for multiple years, you pay the administration charge one time only. The fees for each year are due on August 1st of the following year.

Example: Fees for 2007 were due on August 1, 2008. Please calculate past due fees and enter them below:

2007 Fees .....	\$ _____
2008 Fees .....	\$ _____
2009 Fees .....	\$ _____
Administrative Fee .....	\$ <u>100.00</u>
 Total Past Due Fees Owed .....	 \$ _____

**SECTION VII: CAP FEES**

**CAP Fees:** The aggregate amount of annual generation and business fees to be paid per person [as defined at 20.4.3.108 NMAC] for any year based on this Part (20.4.3 NMAC) shall be limited to:

One facility .....	\$ 35,000.00
Two facilities .....	\$ 50,000.00
Three or more facilities .....	\$ 65,000.00

If your facility generates non-recycled hazardous waste in amounts which will result in a total fee greater than the amounts given in the above table, you only pay the CAP Fee indicated. These CAP Fees does not apply to late fees.

1. The first part of the document is a cover page containing the title and author information.

2. The second part is the abstract, which provides a brief summary of the main findings of the study.

3. The third part is the introduction, which sets the context for the research and states the objectives.

4. The fourth part is the methodology, which describes the research design and data collection methods.

5. The fifth part is the results, which presents the data collected during the study and discusses the findings.

6. The sixth part is the discussion, which interprets the results and compares them with previous research.

7. The seventh part is the conclusion, which summarizes the main points of the study and provides recommendations.

8. The eighth part is the references, which lists the sources used in the research.

9. The final part is the appendix, which contains supplementary information related to the study.
