

## NOTIFIER STATUS CHANGE REQUEST

INSPECTOR: Aaron Coffman

DATE: 3/3/2017

**The 8700 Notification Form should be used for multiple changes at a facility or facilities with old information in RCRAinfo (e.g. outdated ownership or contact information), or status changes otherwise not included on this form. This form is for minor changes.**

The status of the following facility should be changed in the RCRAInfo and State database of hazardous waste notifiers.

Facility Name: Action Auto  
EPA ID Number: NMR000014118  
NM ID Number: 3712  
Address,  
City, Zip: 4320 W Main Street, Farmington, 87412

This facility was found to be:

- Not a Generator (Notified Facility still in business but no longer generating hazardous waste)
- Out of Business – Inactive (please add comment below)  
Building is vacant, not signs of life.
- No longer a Transporter of Hazardous Waste
- Change Generator status to Choose an item. From Choose an item.
- Other change: \_\_\_\_\_

How was the information obtained (check all that apply)?  Site Visit  
(Describe documentation added to file)  Inspection  
 Letter  
 Phone Call  
 Email  
 Internet

Comments (include hazardous waste codes, if different from previous database entry):  
This facility was previously code-7ed, but still shows up as an active facility in RCRAinfo.  
NMED inspectors visited the address. It was vacant with no occupants.

Revised 8/2014
