RE: Do-It-Yourself Used Oil Collection Notification

To whom it may concern:

Please allow this letter to serve as notification of Tractor Supply Company's operation as a Do-it-Yourself Used Oil Collection Center at our store # 2453 located in Belen, NM. Recognizing our customers purchase oil from us for use in their vehicles, tractors and other farm equipment, we offer this service to encourage proper management of used oil and to assist them in their recycling efforts. Program information is as follows:

Store Information:

Store dba Name: Tractor Supply Company # 2453
Store Address: 890 Bosque Farms Blvd, Bosque Farms NM 87068
Store Generator Status: Conditionally Exempt Small Quantity Generator

Contact Information:

Name of Contact: Brian Spears, Manager of Environmental Compliance
Contact Phone No.: (615) 440-4115
Contact Email: hazmat@tractorsupply.com

Collected Used Oil Stored:

185 -gallon, double-walled aboveground storage tank - constructed of 10-gauge steel and UL-142 approved

Hours of Operation:

Monday - Saturday (8am - 7pm); Sunday (9am - 6pm)

Please note that the tank is maintained in a secure and locked area and is only available for use by employees during business hours. Stores maintain a log of used oil collected for recycling. In addition, used oil is picked up at least annually for recycling by a licensed waste hauler; currently, we are using Safety Kleen.

If you have any further questions, feel free to contact me.

Sincerely,

Brian Spears
Manager of Environmental Compliance
