**RE: RESOLUTION OF NOTICE OF VIOLATION
D & M AUTOWORKS
EPA ID# NMR000025478**

Dear Ms. Sanchez:

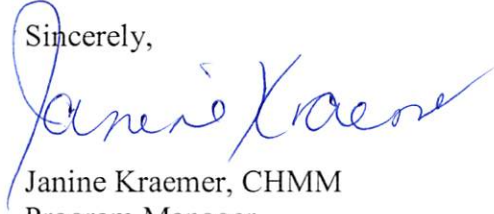

On October 9, 2018, the New Mexico Environment Department ("NMED") conducted a hazardous waste Compliance Evaluation Inspection ("Inspection") at D & M Autoworks ("D & M") at 1560 Center Court, Santa Fe, New Mexico. Based on that Inspection and review of information obtained NMED issued a Notice of Violation ("NOV") dated October 19, 2018.

NMED has reviewed your responses to the NOV dated November 12th and 30th, 2018. Based on that review, NMED has determined that the violation cited in the NOV has been adequately addressed and no further action relative to the NOV on the part of D & M is required. Any action taken in response to this letter does not relieve your facility of its obligation to comply with any other applicable laws and regulations.
