Dear Ms. Hoditschek:

Thank you very much for providing us with information that clarified Mr. Rab's misunderstanding about the "Permit Application's administrative completeness." We now understand the process better, and we appreciate your help in this endeavor.

In regards to fulfillment of the requirements of the "Notice of Deficiencies," our contractual agreement with Roy F. Weston, Inc., an architectural and engineering firm, is to complete and mail the document to your office by August 20, 1993, as requested in our letter dated May 17, 1993 (copy enclosed).

We appreciate your understanding in this matter, and hope you will allow us the grace period of two days. If you have any questions, please contact Mr. Fazlur Rab, (915) 568-1051 or 568-7930.

Thank you once more.

Sincerely,
