Subject: Updated Part A Permit Application

Dear Mr. Hartmann:

This letter is written to remind you to submit the completed, updated part A Open Burn/Open Detonation (OB/OD) application that you were required to send to the New Mexico Environment Department (NMED). That request for the updated part A OB/OD permit application was sent to you in a March 29, 1994 Facsimile note addressed to Ms. Lilia Lenhart (See enclosure).

You are hereby informed that the NMED has no choice but to suspend processing your application, including the OB/OD draft permit if we do not receive the subject part A application from you by July 1, 1994.

Sincerely,

Barbara Hoditschek, Manager
