Dear Sir/Madam:

Please announce over Radio Station KOFX, between 7:00 am and 6:00 pm, Monday through Sunday (October 16 through October 23, 1994), the following public service announcement:

The New Mexico Environment Department has been requested by Fort Bliss to extend the Public Comment Period for the Department's proposal to grant the U.S. Army Air Defense Artillery Center and Fort Bliss an Open Burn/Open Detonation (OB/OD) permit to demolish waste munitions. The public comment period for the U.S. Army Fort Bliss OB/OD draft Permit shall now end on November 16, 1994 and not on October 16 as advertised earlier.

If you have comments on this draft Permit or you feel that a public hearing should be held, contact Mr. Cornelius Amindyas at (505) 827-4308 no later than November 16, 1994.

If there are charges for this service, please make the announcement only once. If there are no charges, we would appreciate as many announcements beyond the initial one as you may find suitable.

Please submit a certificate of the date(s) and time(s) of the announcements and any bill to:
