Just talked to Jim Stfenov abput SWMU 21/22 McGregor Range. The funding isn't there, nothing's been done. He's got it on the new request for funds, but w low ranking it may not get funded. So I said that I'd talk to you about getting it put back on the RCRA permit. He said that's probably the way to go, if we want to get anything done there. TPH is 61,000 in one spot!
