NOTICE OF CLASS II PERMIT MODIFICATION

U.S. Army Air Defense Artillery Center and Fort Bliss Directorate of Environment (USAADACENFB-DOE) located at Building 515B, Ft. Bliss, Texas 79916-6812, has requested a Class II modification for New Mexico Environment Department (NMED) hazardous waste facility permit No. NM4213720101-01. The modification requests: deletion of the deep soil boring requirements for compliance sampling; reduction in sampling requirements for the eastern portion of the Unit; provisions for annual instead of semi-annual monitoring based on treatment volumes; clarification of the 24-hour requirement for inspection and sampling to be performed as soon as practical after an OD event; deletion of free liquids, ignitability, pH, and PCBs from the compliance monitoring analytical requirements; and reclassification of background sampling locations to outer monitoring points.

In accordance with 20 NMAC 4.1.900, USAADACENFB-DOE will hold a public meeting on this permit modification application at the following location:

PLACE: Holiday Inn, [insert address], Alamogordo, NM

DATE: [insert date]

TIME: 5:00 PM

A public comment period on the draft modification will begin on the date of publication of this notice and end 60 days from the date of publication of this notice. Any person who wishes to comment upon the draft permit modifications or wishes to request a public hearing should submit written comments and requests, along with their name and address, to the NMED contact person. Requests for a more formal public hearing shall state the nature of the issues proposed to be raised in the hearing and the name and address of the commentator. Only comments and/or requests received during the 60-day public comment period will be considered. NMED will provide a thirty (30) day notice of a public hearing, if one is scheduled. Fort Bliss's compliance history during the life of the permit being modified is available from the NMED contact person.

The NMED contact person is Steve Pullen, Fort Bliss Permit Manager, RCRA Permits Management Section, Hazardous and Radioactive Materials Bureau, New Mexico Environment Department, 2044A Galisteo Street, Santa Fe, New Mexico 87505, (505) 827-1558.

The contact person for USAADACENFB-DOE is Ismael Delgado, Building 515B, Pleasonton Road, Fort Bliss, Texas 79916-6812, who may be reached at (915) 568-6993.

A copy of the modification request can be viewed and copied at the following locations:
