Dear Mr. Landreth:

The New Mexico Environment Department (NMED) has received Fort Bliss' *Response to Comments* dated April 30, 2002 and a *Voluntary Corrective Action Report* (2 copies) that David Dodge gave to Julie Jacobs at May 14, 2002 Fort Bliss RAB Meeting. Mr. Dodge also asked Ms. Jacobs to bring back two boxes of old RFI Reports for Fort Bliss.

Fort Bliss has not provided the required "Certification Statement" for these two documents in accordance with 20.4.1.900 NMAC, incorporating 40 CFR 270.11(b) and (d)(1) and your RCRA Permit. NMED cannot review documents that are not appropriately certified; therefore, please submit a letter with the required certification for both the *Response to Comments* and the *Voluntary Corrective Action Report* and for all future submissions. In addition, please provide a second copy of the *Response to Comments* for the reviewer.

Finally, please explain what you would like for me to do with the two boxes of old RFI Reports. NMED has copies of all of these documents in our Administrative Record and does not have room for extra copies.

If you have any questions, please call me at 505-428-2551.

Sincerely,
