This message is to confirm that we have a meeting scheduled on Wednesday, May 29 at 3:30 in Room A of the beautiful HWB building to discuss Ft. Bliss and the bigger issue of DOD/sovereign immunity. This meeting will begin a half hour after the EPA OECA planning meeting concludes and Paul R. suggested it could be helpful to ask EPA staff to weigh in on the issue as well. Everyone now has Charlotte Robinson's memo. James and Marcy, we will keep you BCs posted about the outcome of the discussion but we don't expect either of you to attend the meeting. See you all on Wed.!
