CERTIFICATION STATEMENT

I certify under penalty of law that this document *Voluntary Corrective Action Report, McGregor Open Detonation Area, SWMU 20, FTBL-015*, (delivered separately), and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations.

KEITH LANDRETH
Director of Environment
Fort Bliss
