**RE: FEE ASSESSMENT
CLASS I PERMIT MODIFICATION
MCGREGOR RANGE OPEN DETONATION UNIT
EPA ID NO. NM4213720101
FB-06-004**

Dear Mr. Landreth:

The New Mexico Environment Department (NMED) is in receipt of Fort Bliss's (the permittee's) letter dated June 15, 2006 that requests a Class I Permit Modification to modify the Closure Plan for the Open Detonation Unit. NMED has determined that this request is in accordance with 40 CFR 270.42. NMED will provide FB with a letter providing its decision after the appropriate fees have been received. The fee invoice will be sent to you under separate cover. Upon receipt of the payment, NMED also will initiate the review of the extension request in accordance with 20.4.2.200.A(7) NMAC.

Payment is due within sixty (60) calendar days from the date that you receive the invoice. If you disagree with the fee assessed, you may file an Administrative Appeal under the provisions of 20.4.2.302.1 NMAC.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. James Valdez, Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds. If the HWB does not receive notification, it will not begin the review of the request or issue a determination.
