Subject: Possible incorrect SWMU #

Good Morning

I have a question for you.....NMED received a letter dated September 27, 2006. It contains response to our comments and a revised work plan for the Oro Grande Landfill. However, I think the SWMU number may be incorrect. The letter shows SWMU 20 / FTBL-014. I think it should be SWMU 25. Please let me know if this is the case. I appreciate your help on this matter.

Thanks and enjoy your weekend, Cheryl
