**SUBJECT: EXTENSION REQUEST FOR PARCEL 6 PERMITTEE INITIATED  
INTERIM MEASURE COMPLETION REPORT,  
FORT WINGATE DEPOT ACTIVITY  
MCKINLEY COUNTY, NEW MEXICO  
EPA # NM6213820974  
HWB-FWDA-15-003**

Dear Messrs. Patterson and Smith:

The New Mexico Environment Department (NMED) is in receipt of the Fort Wingate Depot Activity's (Permittee) letter requesting an extension for the *Parcel 6 Permittee Initiated Interim Measure Completion Report*, dated February 17, 2016.

The Permittees request an extension to submit the *Parcel 6 Permittee Initiated Interim Measure Completion Report* (Report). The Permittee indicates a need for additional time to respond to and clarify comments from NMED and to prepare the Report.

The letter sent by the Permittees requesting the extension for this document incorrectly indicates that this is a revised document. In addition, the letter incorrectly refers to the Report as a Work Plan. Ensure the documents are accurately cited in all future correspondence in order to facilitate document and project tracking. The Permittees have shown good cause for an extension; therefore, NMED grants the requested extension. The Report must be submitted to NMED no later than **October 31, 2016**.

Messrs. Patterson and Smith
