**RE: Extension Request for Groundwater Background Evaluation, Fort Wingate Depot Activity Gallup, NM. EPA# NM62113820974, HWB-FWDA-14-007**

Dear Mr. Kieling:

The purpose of this letter is to request an extension from December 30, 2016 to July 31, 2017 for the submittal of the Revised Final Groundwater Background Evaluation, Fort Wingate Depot Activity. The Army is seeking an extension in time under Permit section I.M due to additional time needed to install 4 additional background wells. We anticipate that these wells will be installed and sampled by April 2017. Therefore, the Army is requesting an extension for the Report submittal to July 31, 2017.

If you have questions or require further information, please call me at 330-358-7312.

Sincerely,
